Ad-hoc and block bookings

It is possible to start using the rooms at SH for as little as 4 hours a month (i.e., one session per week). This gives you the freedom to begin your practice and to manage the time when you want to use the rooms. Ad-hoc bookings and additional hours can be booked via the online booking system – user information included on separate instructions.

Basic membership:

Includes 4 flexible ad-hoc hours per calendar month **£40.50 per month**

Additional ad-hoc session: **£8.75 per hours session** – these hours will be invoiced at the end of the month and payable within 14 days of receipt of invoice.

Any cancellation of additional ad-hoc hours required a 24-notice period. Less than this and the booking will be charged.

Block of consecutive session hours:

3 hours block	£8.00 per hour in block	£104.00 /month
4 hours block	£7.75 per hour in block	£135.00/ month

If you were interested in renting a room on a day basis, please contact Kirsti for more information.

There is a 15-min changeover time between one practitioner booking and another. These are not to be used for clinical work and are there to give practitioners time to pack and vacate the room and for the next practitioner to set up and settle in the room.

If a practitioner is to make consecutive bookings in the same room, then these need to be back-to-back, or have a minimum of an hour and a half between, in order for another practitioner to be able to use the room. This would also mean that the room will need to be vacated between these gaps. If you have been using a room at a regular time on an ad-hoc/hourly basis and we receive a request for a block booking by another practitioner, you will be given a first refusal for the block booking. If you choose not to go for a block booking, the practitioner will have the priority with notice period of one month.

All block bookings are managed by SH and all changes need to block bookings need to be communicated and agreed by SH before any changes take place.

Termination of practitioner's agreement is one full months' notice.

Fee revisions

Sycamore House holds the right to revise the fees and terms of the practitioner's agreement. A notice period of three months in advance, where possible, will be given of any changes or amendments to the practitioner's agreement.

Missed Payments

Payments are due on the first of the month. If you miss your payment, you will receive a gentle reminder of your outstanding bill and will be asked to settle your account. If payment is not received within 14 days of the due date a fee of £50 will be charged to your account. The outstanding amount will need to be settled by the next payment date. Failure to do this will result in the account being closed and the agreement being terminated.

In exceptional circumstances SH reserves the right to negotiate beyond this time frame.
